NARRATIVE

UNIT #1 was traveling westbound on Lundeen Parkway and had begun turning south onto SR9 from the inside turn lane of Lundeen parkway. UNIT #1 came to a sudden stop in the intersection and was struck by UNIT #2 which had been traveling directly behind UNIT #1.

UNIT #1 claimed that they stopped because they thought a vehicle approaching Lundeen Parkway on SR9 northbound was not going to stop.

UNIT #2 and the WITNESS did not see any vehicles approaching the intersection that UNIT #1 had described. The WITNESS did however notice that just prior to the collision the Driver of UNIT #1 was looking down and fumbling with something out of view. The WITNESS though UNIT #1 was possibly trying to restart the vehicle.

I CERTIFY (DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. (RCW 9A.72.085)

I was at the lundeen light headed southbound to take a left and we started going and she just plain stopped or it looked like she just stalled or something. I dont want to say that it was my fault. It looks like it but I had no other choice bc she just stopped in the intersection. the car next to me would of got hit too if there was a car that was going to hit her. there was no other car that was going to hit her. she had her head down like she was looking at something or she just had her head down bc her car stalled.

I saw a Gmc truck stop in the middle of the intersection. There was no reason for it to come to a stop. The truck died or something of that matter. The Gmc trucks back end hit a durango because it stopped so quick. I saw the lady in the truck trying to restart the truck after it died.
